We are in the business of giving God's best! Therefore, we will not give out anything that we ourselves would not use or wear. Unfortunately, we have had additional dumpster charges for these items and delivery charges for trucking unusable clothing to an industrial rag recycling facility. That is not money well spent. Please donate according to our guidelines and know we appreciate your generosity!

Donations are accepted Monday through Friday, 8 a.m. to 8 p.m. For questions, please contact us at 413-732-0808.
