

Hope to hold on to!

Operation Hope Tote is an annual campaign that gives our community an opportunity to help the homeless men, women and children in the Springfield area. This is a great opportunity for individuals or schools, churches and work places to get involved! Hope Totes bags are available at our front desk to use for your donated items.

Your donations will be distributed to residents in our Men's New Life Program, guests of our Emergency Shelter and Give Away Center and those we meet in the community through our mobile-feeding program called Operation SONshine.

This campaign runs from **March 1 to March 31**. You can drop off your filled bags at the Springfield Rescue Mission at 10 Mill Street, Springfield. Donations are accepted Monday through Saturday, 8am to 6pm.

Another way to support us is to purchase any of these suggested items online through our website under Ways to Give/Shop to Give.

*For questions and more information, please contact:
Robin Gobeille,, Development & Events Coordinator, at
413-732-0808 ext. 237*
