

EVENT PROPOSAL

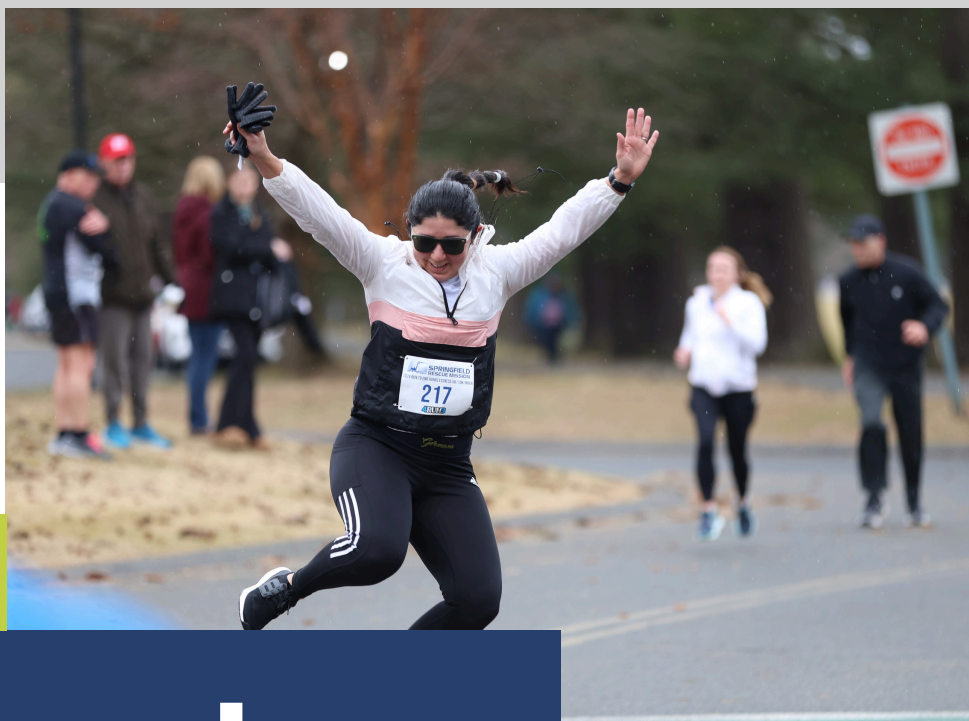

# Run to End Homelessness 5K10K

March 8, 2025, Forest Park, Springfield

Presented by:

# About Event

We are excited to invite you to become a valued sponsor of the Springfield Rescue Mission's upcoming fundraising event, the Run to End Homelessness 5K10K. This event is not just a race; it is a powerful opportunity to make a difference in our community by supporting our vital rehabilitation programs for homeless men, as well as our emergency and community food outreach initiatives that serve homeless men, women, and children.

In addition to the race, we will host a "Carb Up" Spaghetti Dinner at the Basketball Hall of Fame the night before the event that will include music, raffle prizes and local artisan vendors offering their wares. This dinner will serve as a festive gathering for participants and supporters, creating a warm atmosphere for families and friends. Both the dinner and the race promise to be fun, family-friendly events designed to bring our community together in support of our most vulnerable populations.

By sponsoring this event, you will not only help us provide critical services to those in need but also demonstrate your commitment to making our community a better place. Your support will allow us to continue our work and show those we serve that we care. We hope you will join us in this important effort. Together, we can help change lives and end homelessness in our community.

Thank you for considering this opportunity to make a meaningful impact
